

## **Jörgens - Dance School**

"You best learn how to dance from the pros" – this has been the advertising message of Jörgens dance school for over 50 years now. Since our founding in 1959, dance personalities emerged from our school that, stop and behold, won 150 international dance competitions worldwide, amongst them the World Ballroom Dance Champions Kerstin and Jens Jörgens. Our two dance schools in Leipzig feature air conditioning, state of the art sound and lighting technology and a sprung parquet dance flooring. One may think that on such a floor you would spontaneously break out into dance. But of course it is not quite that simple. The necessary steps and combinations still have to be taught to the ones keen on dancing. Jörgens is the perfect place for that with highly motivated and ADTV-qualified dance teachers.
