

Ty Sycaci

The TY Syčáci group was established in 2000 on the initiative of Peter Váša, one of the most prolific figures of the Czech alternative scene. Váša is an outstanding singer, poet, performer and experimenter, the only Czech musician, who is able to use his whole body as an instrument (he himself describes this style, which he already employed in previous solo performances, as "physical poetry"). His band colleagues are the guitarist Petr Zavadil and the bass guitarist Tomáš Fröhlich, both are "veterans" of the successful group "Pluto". Now, Ty Syčáci still has the ability to overflow Czech clubs with people in their sixth year.
